

YOUR PHOTOGRAPHER  
WILL BE

★  
**CHRIS**

**FUN FACTS!**

I've been photographing  
Schools ever since  
I had hair!

Fully professional  
with experience of  
all School ages

I may not be as crazy  
as some others, but kids  
love my happy nature

★  
A professional photographer with  
nearly 30 years experience

**WHAT TO EXPECT...**

→ I'm a stickler for **detail**, so those class  
groups may take a few minutes to set up to  
ensure they are **picture perfect**

★  
Coffee please -  
it's what all  
photographers  
run on!

I love to work  
fast, and  
if children are tidy  
when they arrive,  
I'll whizz through  
the day!
