

YOUR PHOTOGRAPHER  
WILL BE

**SALLY**

TRUST ME...

I know every  
nursery rhyme

Peppa & Paw Patrol  
help me get grins

I never say "smile" -  
I make them laugh instead

A professional photographer with  
over 10 years experience!

**WHAT TO EXPECT...**

I have fun with the children, **creating natural giggles and smiles!**

I work fast, to **get the best from each child** before their attention wanes!

Please give me  
the chance for a  
short stretch every  
couple of hours -  
it's exhausting work!

That way you  
will get the best out  
of me!

I'm a mum of two  
girls. One is a  
teenager - hence my  
grey hairs!

Please shove a  
coffee in my hand...  
White one sugar
