FUN FACTS!

I love babies!

Mrs Woofington (my teddy dog) is my secret weapon

I have the mental age of a 4 year old (pre schoolers love me!)

A professional photographer with over 20 years experience

WHAT TO EXPECT...

→ A **friendly face** to put the children at ease.
Time and effort to make those nervous ones smile.

→ Mrs Woofington **never leaves a smile behind.**

Time has taken its toll on my poor back so a good stretch will be much appreciated every couple of hours (I am old)

Caffeine is my best friend, Coffee... white, two sugars please!
